WELCOME BACK

We are incredibly excited to be back open and are looking forward to seeing familiar faces and meeting new ones. Over the last few weeks, the team have been working hard to create a safe environment for you all to enjoy a well deserved drink and something to eat. The last few months have been strange for everyone, we are all trying to find our new normal and are all in this together.

We have revised our opening hours, new hours as follows:

Tuesday - Saturday :11.00am - 11.00pm | Food Service 12.00pm-2.30pm & 6.00pm-9.00pm

Sunday : 11.00am - 7.00pm | Food service 12.00pm - 5.00pm

The pub will be closed on Mondays, Take Away service available Tuesday - Saturday 6.00pm-9.00pm (please call 01865-741137 to place an order)

Listed below are a few of the main points of service that we now have in place to give our customers the confidence to drink and dine with us.

KEEPING EVERYONE SAFE

* One of the government requirements of opening is to make sure we have your contact details, these will be requested from each person on arrival and stored on our protected system.

1. We have spaced our tables out throughout the the pub sufficiently to allow a safe drinking and dining environment.
2. We have increased the amount of tables outside for those that wish to be in the garden.
3. Customers will be asked to wash their hands on arrival and sanitiser stations will be placed throughout the pub
4. Customers will be asked to pre-book their tables, you can do this via our website or phoning us 01865-741137
5. Customers will be shown straight to their table and will be looked after for all their food and drink requirements. Please do not move the tables and they will be cleaned after each use as well as the chairs.
6. All our tables will be empty and not laid-up (sadly it does look a little bare) this is to ensure less handling of things, cutlery will be given to you on a plate when you place your order so there is minimal staff handling and waiting staff will not lean over customers when serving you. Instead plates and drinks will be placed on the edge of tables.
7. Staff will have the option to wear face masks or face shields or both.
8. Our doors and windows will be open to allow sufficient ventilation.
9. Our toilets will be cleaned regularly throughout the day and will operating a one, one out policy.
10. Children will be requested to sit with their parents and not run around. We normally have colouring in pencils and games, sadly we will not have these available at the moment so please can you bring your own table activities for your children.

* We can't have anyone stood at the bar and with tables having to be removed we will be running at a much lower capacity.

If you have booked a table and are showing any Covid related symptoms please call us to cancel. That's the formal bit out the way, we can't wait to welcome you all in the coming weeks.
